

Draft E5 Curriculum (6-7 Honors Math)

1. Numerical Expressions and Factors

- Whole number operations
- Power and Exponents
- Order of Operations
- Prime Factorization
- Greatest Common Factor
- Least Common Multiple
- Adding and Subtracting Fractions

2. Fractions and Decimals

- Multiplying Fractions
- Dividing Fractions
- Dividing Mixed Numbers
- Adding and Subtracting Decimals
- Multiplying Decimals
- Dividing Decimals

3. Algebraic Expressions and Properties

- Algebraic Expressions
- Writing Expressions
- Properties of Addition and Multiplication
- The Distributive Property
- Factoring Expressions

4. Areas of Polygons

- Areas of Parallelograms
- Areas of Triangles
- Areas of Trapezoids
- Areas of Composite Figures
- Polygons in the Coordinate Plane

5. Ratios and Rates

- Ratios
- Ratio Tables
- Rates
- Comparing and Graphing Ratios
- Percents
- Solving Percent Problems
- Converting Measures

6. Integers and the Coordinate Plane

- Integers
- Comparing and Ordering Integers
- Functions and Decimals on the Number Line
- Absolute Value
- The Coordinate Plane
- Reflecting Points in the Coordinate Plane

7. Equations and Inequalities

- Writing Equations in One Variable
- Solving Equations Using Addition or Subtraction
- Solving Equations Using Multiplication or Division
- Writing Equations in Two Variables
- Writing and Graphing Inequalities
- Solving Inequalities Using Addition or Subtraction
- Solving Inequalities Using Multiplication or Division

8. Surface Area and Volume

- Three-Dimensional Figures
- Surface Area of Prisms
- Surface Area of Pyramids
- Volumes of Rectangular Prisms

Solving Equations Using Addition and Subtraction

Solving Equations Using Multiplication and Division

Solving Two-Step Equations

9. Statistical Measures

Introduction to Statistics

Mean

Measures of Center

Measures of Variation

Mean Absolute Deviation

10. Data Displays

Stem-and-Leaf Plots

Histograms

Shapes of Distributions

Choosing Appropriate Measures

Box-and-Whisker Plots

11. Integers

Integers and Absolute Value

Adding Integers

Subtracting Integers

Multiplying Integers

Dividing Integers

12. Rational Numbers

Rational Numbers

Adding Rational Numbers

Subtracting Rational Numbers

Multiplying and Dividing Rational Numbers

13. Expressions and Equations

Algebraic Expressions

Adding and Subtracting Linear Expressions

Factoring Expressions

14. Ratios and Proportions

Ratios and Rates

Proportions

Graphing Proportional Relationships

Writing Proportions

Solving Proportions

Slope

Direct Variation

15. Percents

Percents and Decimals

Comparing and Ordering Fractions, Decimals, and Percents

The Percent Proportion

The Percent Equation

Percents of Increase and Decrease

Discounts and Markups

Simple Interest
